kj@kjfightmasterdesign.com

Apparel technical designer and sports product designer with a background in human physiology, biomechanics, garment construction, and performance apparel. Experienced in translating movement and fit considerations into technical documentation, prototypes, and product-development decisions.

EDUCATION

University of Oregon, M.S.
2024-2026

Sports Product Design

University of Oregon, B.S.
2020-2024

Human Physiology major, Entrepreneurial Business minor

EXPERIENCE

Apparel Technical Designer
Royal Robbins, 2026-Current

Develop construction and fit updates across apparel styles and seasons using Adobe Illustrator
Assist with fittings by measuring samples, evaluating fit and construction, and documenting updates
Create accurate, factory-ready technical documentation in PLM systems to support development

Dance Education Business Owner
Mademoiselles, 2023-2024

Created Mademoiselles, a dance education business.
Instructed 200+ students in foundational and advanced pole dancing techniques.
Authored and launched a pole dancing educational workbook.
Planned and hosted a pop-up pole-dancing event in partnership with Splendid Barre and Polemic with over 60 attendees to sell Mademoiselles workbook and punchcards.

Athletic Training Intern
University of Oregon, 2021-2022

Provided taping and first aid support with the athletic training team to the Oregon football players.
Monitored players recovering from injuries and with medical concerns, such as sickle cell trait.
Prepared water coolers, ice coolers, water bottles and Gatorade alongside student athletic training interns for practice.

Apparel Design Mentor
Cada Casa, Spring 2026
